

FIRST AID PLANNING TOOL

Answer the following questions:

Work activities	What type of work is performed? List the work activities that may cause injury.
	List the types of injury or illness likely to be experienced
	What types of hazards are there at the workplace?
People at the place of work	How many employees/workers or other persons are generally onsite?
	What is their distribution? [e.g., one or more locations]
	Do any employees/workers have special needs?
	If yes, list:
The workplace	What is the size of the workplace?

Document #: WHS004	Version #: 1	Issue Date: 16/01/2023	Revision Date: 16/01/2024	Page 1 of 2

	What is the layout of the work place? (eg single level/multiple buildings)
Workers working away from the workplace	Do you have employees/workers who work away from the work premises?
	If yes, how many? And in how many locations?
Past experience	Is there a current first aid plan and does it work?
Recommendations	

Use the answers to determine needs and check the legal requirements for your State/Territory to ensure you meet minimum requirements.
